

## SOUTHERN NAVIGATORS ORIENTEERING CLUB

# Goldsworth Park and Horsell Urban Event (Level C & SEOUL)

**MONDAY, 30<sup>th</sup> August 2021**

Goldsworth Park is a late 20<sup>th</sup> century residential mix of paths, alleyways, roads and open spaces among over 4500 houses, creating a challenging and fast orienteering environment. The four longest senior courses will visit a new eastern extension to Horsell Village, not previously used for orienteering. The route choices through the quieter streets, village centre and fringes of common land provide a contrast to the intricate housing developments and recreational spaces within Goldsworth Park. The area was last used for competition in July 2016 (see SN website results pages for link to Routegadget).

**Location:** Goldsworth Park Recreation Ground, Woking, GU21 3RT (public car park, Wishbone Way) - signed from the junction of Lockfield Drive and Kirkland Avenue (grid ref SU972591). CP at grid ref SU979592. What3Words - amuse.combining.lovely

**Public Transport:** Woking station is 3km from assembly (trains from London Waterloo), then walk, or take bus route 91 (on the hour, journey 12 mins plus 5 mins walk to assembly).
